INFORMATION ON THE PROCESSING OF PERSONAL DATA

The Stair4Security final event primarily aims to present the project platform and eLearning tool and validate their use by practitioners and policy-makers within the CBRN/DRR Community.

The event does not have any commercial purpose. The involved participants do not receive any monetary benefits by conducting this activity. They participate voluntarily and can withdraw from the activities at any time. The event results may be published in project reports, journal articles, conference presentations, and via any other mode of scientific exchange, social media and dissemination considered appropriate while protecting the participants' anonymity. Data collected will be published in an anonymous form. Participants' personal data (First Name, Last Name, Nationality, country of residence, profession, organisation name, email, and social media accounts) will be only used by Stair4Security for the purposes of the event. Only if explicit and specific permission is given they may be used to invite the participants to take part in future research activities. Personal data will be collected, processed and protected according to the General Data Protection Regulation (GDPR) (EU) 2016/679. Participants will have the right to request access to and rectification or erasure of personal data or to object to processing, as well as the right to data portability just sending an email to the responsible of data treatment listed hereafter. They will also have the right to lodge a complaint with a supervisory authority.

After reading the information sheet above, I consent voluntarily to participate in this event and understand that I can withdraw from the event at any time, without having to give a reason.
